What is wrong with you people are you in bed with Fund Managers and the like. It is a cold day on earth when one of are government agencies does something positive for the middle class. Now you want to give more advantage to big Wall Street. Your RIN 1210-AB32 is unwanted,unnecessary ,unneeded and you have no business in my business. What is your profit margin on this bill? Open disclosure is a right!People do not want this kind of governing. Don't you get it! Carol Nicholson Retired and worked my whole life Thank you very much!
